06:30 - 07:30 PM - OGRAIN conference

Gordon dining and event center

770 W Dayton St, UW-Madison campus

Walk-ins welcome!

Kernza, a perennial grain and forage crop for Wisconsin

Interested in learning about the first perennial grain crop in the world and becoming a Kernza grower?

Join us for an information session and meet Kernza farmers and researchers.

A light dinner will be provided for attendees who sign up in advance or directly at the OGRAIN-conference registration desk. Call (608)-770-9382 or email favre@wisc.edu for dinner registration.
